What do we accept?

Journey Home's furniture program, A Hand Up, provides donated goods to people transitioning out of homelessness. We accept new and gently used items to furnish our clients' homes. The items we accept are modest sized, basic, and practical pieces that are needed to set-up a new apartment. We are only able to accept clean, gently used items in dignity condition.

Local pick up and drop off options available!
\$50 suggested donation for all pick-ups - this helps us keep our program free for our clients!

Our warehouse is located at
595 New Park Ave, West Hartford. Please do not leave anything there unless someone is at the warehouse. Please call 860-808-0336 or email volunteer@journeyhomect.org to inquire about drop off times.

Note: Journey Home reserves the right to accept/reject items that are offered for donation based on current warehouse needs and condition of items. Journey Home also reserves the right to donate items received to other non-profit charitable organizations if the items donated do not meet the mission of our organization. From time to time organizations may sell donated items that are not needed by our clients to help fund operations.
